## Dive Into Learning ... FOCUS on the Treasure

December 16, 2010

Dear Parents/guardians,

As we approach the Holiday season I would like to wish everyone a restful break. I would like to thank each parent for the support you give to your child and the school. We had a great holiday play and our students were excited to participate in the Kissimmee Holiday Parade. We hope to see each and everyone in January ready to work and learn.

Please remember that although our children are not in school they need to read and practice math. They are a lot of educational games you can play with them, free websites they can use and they can take a trip to the library.

We would like to thank all the teachers that are sponsoring clubs. We are proud to have the following clubs at our school: environmental, track, dance, art, book, drama and chorus. We also want to thank the parents that bring the children early or pick them up later for them to be able to participate in these activities. It would be very difficult to have them without your support.

I would also like to share a sad incident that occurred early Thursday, December 17 early in the morning. Someone broke in our school and stole our sound system. The police are investigating but we will not have a sound system for future performances until we can raise funds to purchase another one.

### DATES TO REMEMBER:

January 4- SAC 6:00  
January 12- All Pro Dads  
PTO  
January 17- Martin Luther  
King / No school
